

Evergreen Underground Water Conservation District
110 Wyoming Blvd
Pleasanton, TX 78064

**AMENDED NOTICE OF PUBLIC TRANSPORT HEARING
OF THE EVERGREEN UNDERGROUND WATER CONSERVATION DISTRICT
BOARD OF DIRECTORS**

at the Pleasanton Lions Club Texas, 114 Wyoming Blvd.,
Pleasanton, Atascosa County, Texas
Friday, November 21, 2025, at 9:00 a.m.

- a) Call Permit Hearing to Order
- b) Public Comments
- c) Permit Hearing on the following **Transport Permit Application**:

One (1) transport permit for Springs Hill Special Utility District (Transport #T-3266). The requested total maximum groundwater to be transported from the applied-for production wells is 1,000 acre-feet/year for Public Supply use. The amount of water produced for each purpose of use will be metered and reported separately. The transport of water out of the District is only authorized for water produced from wells associated with the following applied-for Operating Permits:

Well 1 – **Springs Hill Special Utility District (EUWCD-10257, Permit #3266)** Located at N 29.369417, W -97.848372 in Wilson County, 0.86 miles N of the intersection of County Road 117 and County Road 444. The well will produce from the Carrizo Aquifer. Total maximum annual production from the well will be 1,000 ac-ft/yr at a maximum production rate of 1,600 gallons per minute for Public Supply use.

The total proposed amount of water to be transported annually is up to 1,000 acre-feet per year. The aggregated total groundwater authorized for transport out of the District from all District-authorized wells included in this proposed permit shall be limited to 1,000 acre-feet per year in aggregate.
